Re: School Update

Dear Parents and Carers,

Following a very successful recent monitoring visit by Wigan Local Authority, I would like to share with you some of the feedback:

- The school is committed to providing a broad, balanced and ambitious curriculum experience for all children.
- Early reading and leadership of phonics is secure.
- The quality of senior leadership and management being provided is a real strength. The school is benefiting from the wider experience and expertise available in the Learning Together Trust across which there is a culture of collaboration and support.

I am aware that there is a rumour circulating that St. David's may face school closure. However, I can assure you that our Trust has no intention of closing St. David's and our vision is for St. David's to be the 'school of choice' in the area and for all members of the school community to flourish.

The development of our Early Years' outdoor area has been a great success, following receipt of grant funding last academic year. I am delighted to inform you that St. David's have had a further successful bid to enhance school security and resurface the playground. I am hoping that work will be undertaken during the Easter holiday.

Thank you for your continued support and partnership.

Yours sincerely,

Mrs. J. Woodcock

Executive Headteacher
