Part A: Pupil premium strategy plan

Statement of intent

In supporting our disadvantaged pupils we intend to do the following:

- provide the highest standard of quality first teaching
- remove barriers to learning and create ambitious, motivated and resilient pupils who believe in themselves
- ensure equality of opportunity
- improve future life chances and create potential for social mobility

We do this through targeted academic support in addition to broader provision, which supports pupils' well-being, in addition to fostering wider talents and interests.

Our key principles are to ensure all pupils are happy and engaged in their learning, by providing a rich and progressive curriculum. We strive for the highest academic standards. We have high expectations and are relentless in our determination for all pupils to achieve their full potential. We are committed to preparing them for the next stage in their education, and to foster a love of learning.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Increased risk of poor attendance, persistent absenteeism and poor punctuality.
2	Staff confidence in teaching and assessing a new curriculum, with a secure pedagogical approach .
3	Standards in reading, writing and maths, which create barriers for learning across the curriculum.
4	Increased risk that pupils access a limited number of life experiences outside of school and have few opportunities to develop new skills. As a result, children's understanding of culture, and the world, is underdeveloped, creating a barrier to learning.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improved levels of attendance and punctuality	<ul style="list-style-type: none"> • An increased number of PPG children will have sustained attendance of 96% or more. • Persistent absenteeism will reduce for PPG pupils. • Overall attendance of PPG pupils will be in-line with that of all children.
Improved standards in reading	<ul style="list-style-type: none"> • All pupils will make at least six steps of progress in Reading. • An increased proportion of disadvantaged pupils will be working at age-related expectations or above in reading. • An increased proportion of disadvantaged pupils will have age-related phonics knowledge and skills. • Rates of reading at home will increase for PPG pupils.
Improve standards in writing	<ul style="list-style-type: none"> • All pupils will make at least six steps of progress in Writing. • An increased proportion of disadvantaged pupils will be working at age-related expectations or above in Writing. • Children will be given the opportunity to write for a variety of purposes, including in published books/competitions
Improve standards in maths	<ul style="list-style-type: none"> • All pupils will make at least six steps of progress in Mathematics. • An increased proportion of disadvantaged pupils will be working at age-related expectations or above in Mathematics. • Children will access the three statutory aims of mathematics each day.
All teaching, in all subjects, is at least good	<ul style="list-style-type: none"> • Read Write Inc Phonics and Literacy and Language lessons demonstrate Pace, Participation and Progress every day. • Mathematics demonstrates pupils access the concrete, pictorial, symbolic approach daily, in order to fulfil the three statutory aims – fluency, reasoning and problem solving. • Science and the Foundation Subjects will evidence the four stage approach of Engage, Develop, Innovate and Express. • Formative assessment is used to inform teaching. • Pupils know more, remember more and can do more.
Pupils experience a rich and progressive curriculum	<ul style="list-style-type: none"> • All children who come to St. David’s will access a rich and progressive curriculum, regardless of their personal circumstances. • All disadvantaged pupils will access extra-curricular activities. • All children will access one enrichment activity, per year e.g., a live music event.
